

Technician's Report – 04/12/13 – Corrina Aldrich

Ag Plastics Baler – Is still out to Cornell for repairs. I sent an e-mail to Nate to let him know of change of management with the county transfer stations, and to get an estimate of when we would see the baler back. I anticipate some inquiries in the next couple of weeks from our beef producers.

AEM - Working on a grazing plan for Simply Grazin in Hartford. Doug Durkee, the farm manager has interest in advancing his grazing management skills.

Projects - Went over employee training plan with Joe for year 2013/2014.
