

Technician's Report – Bob Kalbfliesh – 06/08/2018

AEM: Year 13 Base Funding Final Report is due in Albany July 11th. I am working on the report.

AEM Workload:

- Hick's Orchard: I am working on finishing the Tier IIIA plan.
- Lenny Austin – Lincoln Hill: I have talked to Barry Korb and they plan to do the final landscaping/seeding next week.
- Tim Lutgens: Lydia and I met with Tim to discuss the AEM process. We looked at his pasture plans. I am working on a Tier II with him.

NYS Grown & Certified:

- I completed a Tier I and II visit with Mike Pauquette (River Run Maple) in Granville for NYS Grown & Certified Verification.

Grant Status

- Round 20 – Cover Crop: Brian Steinmuller was here for final closeout of the grant. He reviewed my final report and accepted it.

Ag Assessments: Several requests have come in and will be completed in November when the season starts up again.

No-till Drills: Drill activity has been slow.
