I realize that the Washington County Soil & Water Conservation District is not responsible for any loss of fish occurring during transport from pickup location to pond by the pond owner or a representative of same.

Signature of pond owner

- Payment must accompany order. Make checks payable to Washington County SWCD.
- **Pickup will take place on Friday, September 27** (pickup time to be determined) at the USDA Service Center parking lot, 2530 State Route 40, Greenwich, NY. It is imperative that fish are picked up at the designated time due to survival limitations in transport (approximately 1 hour).
- Bagging of fish is \$1.00/bag payable day of fish pickup.
