I realize that the Washington County Soil & Water Conservation District is not responsible for any loss of fish occurring during transport from pickup location to pond by the pond owner or a representative of same.

Signature of pond owner

- Payment must accompany order. Make checks payable to Washington County SWCD.
- Pickup will take place on **Friday, May 21 at 10:30 AM** at the USDA Service Center parking lot, 2530 State Route 40, Greenwich, NY. It is imperative that fish are picked up at the designated time due to survival limitations in transport.
- Bagging of fish is \$1.00/bag payable day of fish pickup.

*****You must bring your Grass Carp Permit with you when picking up fish*****
