Vacancy Announcement:

2021 Summer Intern for Washington County SWCD

Temporary 10 to 12 week position summer of 2021 starting in May/June

Location:

Washington County SWCD
USDA Service Center
2350 State Route 40
Greenwich NY 12834

Distinguishing Features of the Class:

The proposed position involves fulfilling a temporary full-time position for approximately ten (10) to twelve (12) weeks.

The position will be 40 hours per week, Monday – Friday, and the time frame will be during the summer of 2021, starting approximately May/June and ending in August the incumbent will report directly to the SWCD District Manager who will supervise the workload and needed trainings.

The intern would be expected to shadow, assist, and learn from staff of the Soil and Water Conservation District (SWCD), on:

- Site visits and technical assistance associated with the Agricultural Environmental Management (AEM) program;
- Assist in Best Management Practice (BMP) monitoring for agricultural projects and construction oversight with Sr staff members
- GIS mapping
- Attend meetings with the SWCD staff and watershed partners;
- Assist with Water Quality Coordinating Committee objectives and management plan update.
- Increase and further develop social media contacts for Washington County SWCD
- Assist with design, installation and manning the district booth at Washington County Fair with a theme of Invasive Species
- Be trained to Operate and maintain the Hydroseeder; oversee and complete grant related projects that it is required for, working in conjunction with municipalities in the Champlain Watershed
- Attend trainings as directed such as:
 - ✓ 4-Hour NYSDEC Erosion & Sediment Control training;
 - ✓ NAACC Culvert Survey Training
 - ✓ Hydro Seeder Operation and Safety Training

Other Job duties as assigned.

Applicants must be actively enrolled in college and salary depends on experience.

Please e-mail a Cover letter, Resume and 3 references to: Corrina.aldrich@ny.nacdnet.net by April 30, 2021.
