

Manure Storage Safety Course

Washington County Soil and Water Conservation District is partnering with NYCAMH to present a free training focused on manure storages and the hazardous gases associated with them.

Learn how to avoid manure gas exposure, as this training will cover safe manure management including safety precautions that can save lives.

Manure Storage Deaths:

34% occur during repair or maintenance

22% were among those attempting rescue

20-25% involve young people, often claiming more than one victim

DATE: Friday, October 7, 2022
