## **District Technician Report – Bob Kalbfliesh – 01/23/2025**

### **AEM**

- Completed AEM time sheets for the year.

### **Ag Assessments**

- I continue to work on ag assessments. The number of requests has made it a busy year.

### **CAFO Round 1 – Deep Roots**

- I attended the NRCS final site inspection. The engineer was satisfied with the project.

### **CWICNY Cover Crop Program**

- I have completed the final reports for 2024 program and sent them to Peter Hager, Clinton County for processing.

### **Meetings**

- I gave a presentation at our farmer's meeting at the Greenwich Elk's Lodge on the no-till drill and ag assessments.

### **Meetings Planned**

- CaroVail Winter Meeting – Greenwich Elks – 2/7/25

## Technician's Report-Amber Luke- January 23, 2025

### Ag Non-Point Source-

- Round 28-
  - Kenyon Hill- This project is moving along nicely. They have recently poured both the floor of the planned reception pit (converted push off), the pump is in place and last week they poured the wall around the pump. The engineer was onsite on Friday 1/17/25 when they poured the walls around the pump. Next, they will be working on the building that goes over the pump. The cold weather has slightly delayed construction as they need to wait until certain temperatures to pour otherwise the concrete will need to be heated.
- Round 30-
  - Released December 5, 2024. Applications are due by February 24, 2024! One application in the works.

### Climate Resilient Farming (CRF)-

- Round 6-
  - Maple Grove Farm- No new updates. They have selected an engineer for their project and are working on getting bids for the construction. I am working on drawing up some of the conservation BMP's that I am comfortable with to give the farm something to go follow when installing these BMP's.
  - Ghost Light Farm- No new updates. The Erosion control system will be installed in the 2025 construction season.
- Round 7-
  - Contracts were received. Hunter Southerland is working on getting the finalized engineering designs and then they will move towards the bid process. Planning for construction in 2025.

### CAFO Waste Storage and Transfer System Program-

- Round 3
  - Woody Hill Farm- Construction is in full swing. 2/3 of the concrete slab floor, 2 pump ramps, and the access ramp have been poured. All these items needed to be heated and blanketed for at least 3 days after the pour. The cold weather has led to this project taking longer than anticipated. The contractor is working on prepping the push off ramp for concrete next, then they will finish the floor and finish with the curb around the floor. But this entails thawing out the ground underneath the ramp area and making sure there is no frost under it prior to pouring. I have been continuing to do SWPPP inspections weekly.

### AEM-

- Tier 4 Cost Share-
  - Reminded Jeff about Hick's when he was onsite at another project quickly. It is on his agenda to get done and he knows we need it as soon as possible.
- I have had one new Tier 1 request (du Trieux Farm). This was a result of our public farm meeting that we hosted at the Elk's on 1/14/25.
- REPORTING: Waiting for AEM time logs to be filled out so that I can know what has been done in order to submit an interim report.
- Ongoing: Working on a variety of 3A and 3B plans for landowners that are interested in going further with the AEM process.

### **Upper Hudson River Watershed Coalition (UHRWC):**

- The next scheduled meeting temporarily scheduled for February 13, 2025, at Warren County SWCD office.
- I was elected as the new President at the January meeting.
- Current grant- Website funding through the Alfred Z. Solomon Trust. We received a grant through the Alfred Z. Solomon Trust to create a website for the Upper Hudson. The website is nearly complete. We are working on gathering photos and materials to place on the website. It will house our meeting minutes, agendas, watershed plan, and projects.

### **Tree and Shrub Sale**

- Helped Korey get up and running on the Square site, showed him how to add items and how to edit current stock, etc.

### **Trainings/Meetings Attending or Attended-**

- ESRI DEMO at the county building on 1/7/25
- State Programs Advisory Committee meeting on 1/8/25
- AEM Strategic Planning meeting attended 1/15/25
- Ag Learn Training completed on 1/16/25
- Submitted my renewal for the NYS E&SCCP. It was received on 12/17/24
- Public Farmer's Meeting- 1/14/25

### **Miscellaneous:**

- Bank reconciliations completed
- Performance measure time log, grant timesheets and AEM time log all are up to date.
- Newsletter article

## Technician's Report – Ashley Leemans – January 23<sup>rd</sup>, 2025

### Trainings/Meetings Attending or Attended

- On 1/7 I attended an ESRI mobile app demonstration hosted by Wash. Co. Dept. of Real Property and taught by ESRI representatives.
- 1/9 attended virtual 5<sup>th</sup> Annual Harmful Algal Bloom Symposium. This was an all-day symposium on research and case studies of harmful algal blooms throughout the country.
- Took VT DEC Shoreline Erosion Control Certification Course 1/10. This was an 8-hour virtual training course for mitigating lake shore erosion through green infrastructure.
- Attended CWICNY meeting on 1/17.
- 1/22 I will be attending the ReLeaf workshop on preparing for urban planting. The workshop will cover choosing the right tree for your location, finding funding for plantings, and engaging the community in planting programs.
- On 1/27 I will be attending the Lake George Watershed HWA Meetings as they ramp up again.
- Next week (1/27) I will be starting a Professional Rain Gardener Certification course, for which I must complete a rain garden to get certification.
- In Feb. I will be starting a Pollinator Certification Steward through the Pollinator Partnership. A pollinator project must also be completed for this program.

### Tree and Shrub Sale

- The Square website has been updated but has not yet been opened for orders. This will be done after the Feb. newsletters are sent out.
  - I figured out how to put a pop-up on the homepage of our website.

### Water Quality Coordinating Committee (WQCC)

- A WQCC kick-off meeting went well. We had 9 participants, not counting district staff. There were a lot of good suggestions for steering the direction of the committee.
- Our next meeting will be Feb. 12<sup>th</sup> at 9AM at the Fairgrounds. Hannah Diebboll from DEC Region 5 will be presenting on her work with Round Goby.

### Landowner Assistance

- Public Meeting locations and dates have been set:
  - Tues., Jan. 14<sup>th</sup>, 11AM – 2PM at the Elk's Lodge in Greenwich – Tailored to farmers.
    - This meeting went very well. We had a lot of good questions from farmers who attended. We had 9 attendees. District staff gave presentations on our programs and grants, with an emphasis on AEM. We seem to have some new farmers interested. The attendees were a mix of new faces and farmers we have worked with before.
  - Thurs., Jan. 23<sup>rd</sup>, 6:30PM – 8:00PM at the West Fort Ann Fire Department – Non-ag focused.
  - Tues., Jan. 28<sup>th</sup>, 6:30PM – 8:00PM at Gather in Greenwich – Non-ag focused.
- I am currently working on a mitigation plan for Forest Roads for Camp Chingachgook.

### CAFO

- Attended the engineer site visit for Deep Roots.

### AEM

- Working on Tier 3 for Scotch Hill Farm
- Working on a Tier 2 for Greg LaPan as a result of his forest road assessment. His project would better fit into AEM.

**Part B**

- We will have a permit to plant a tree at the South Lake State Boat Launch in Whitehall for Arbor Day.
- We will be planting a tree at The Georgi and having an Arbor Day Celebration. We will be attending their Feb. meeting, identifying the site and picking a species.

**People's Garden**

- I am working on a grant through the National Fish and Wildlife Federation to expand the Salem People's Garden to build a new People's Garden (Location TBD).

**Misc.**

- I am working on article on AIS for CWICNY annual report.
- I am assisting the Environmental Education Foundation of Soil and Water in New York (EEF) with applying for funding for the 2025 State Envirothon.
- I have been trying to encourage teachers to sign up for the Saratoga Regional Envirothon.

**Claim for Payment Black Out Period Approaching:** We are approaching the “Blackout Period” for Fiscal Year 2024-2025. The “Blackout Period” is the time of year (starting April 1<sup>st</sup>, 2025, lasting until June/July 2025) when payments for programs supported by the Environmental Protection Fund (AGNPS, CRF, EBM, AEM) cannot be processed due to end of the year reporting/accounting. We encourage Districts to consider what projects may be implemented in 2025 and what projects are eligible for advances or reimbursements. If you will need to request a 25% Advance, 65% BMP Implementation Payment, Subsequent/Interim Payment, or Final Payment prior to the start of the black out period, please email the CFP packet to the appropriate State Committee program manager, regional coordinator and Maureen Irish by **Friday, February 21<sup>st</sup>, 2025. Please remember to only submit claims for payment for contracts that have been fully executed.** Questions can be directed to your Regional Coordinator or appropriate Program Manager.

**Round 30 Agricultural Non-Point Source Program:** The SWCC has made a total of \$25 million available for Round 30 competitive projects through the State Fiscal Year 2023-2024 budget. \$14 million will be sourced from the Environmental Protection Fund and \$11 million will be sourced from the Clean Water, Clean Air, Green Jobs Environmental Bond Act. The RFP and associated documents are now available on the SWCC SharePoint and are available on the Department of Ag and Markets website, <https://agriculture.ny.gov/rfp-0323-agricultural-nonpoint-source-pollution-abatement-and-control-program>. An [AgNPS R30](#) RFP webinar for Districts has been scheduled for December 19<sup>th</sup>, 1:00 – 2:30PM. Questions regarding the RFP must be submitted in writing to [jason.kokkinos@agriculture.ny.gov](mailto:jason.kokkinos@agriculture.ny.gov) by **January 10<sup>th</sup>, 2024**. Applications must be submitted through the NYS SWCC SharePoint website by **4:30 PM February 24, 2025**.

**January SWCC Meeting:** The next SWCC meeting will take place Tuesday, January 21<sup>st</sup>, at 10AM. Further details and an agenda for the January meeting will be sent out shortly. Each meeting agenda provides an opportunity for Conservation Districts to provide reports, updates, or feedback to the SWCC. **Reminder – participation at a SWCC meeting is eligible toward PM1, Part C of State Aid to Districts.**

**CRF Round 8 Plans of Work:** Please submit plans of work for projects awarded through Round 8 to your Regional AEA for review and approval when they are ready. Submitting this information as soon as possible can help to expedite the contracting

process.

### **Other Events**

**NACD 2025 Annual Meeting:** Registration for The National Association of Conservation Districts' (NACD) 79<sup>th</sup> Annual Meeting is now open! The 2025 Annual Meeting will take place in Salt Lake City, Utah, from **February 8<sup>th</sup> – 12<sup>th</sup>, 2025**. To learn more and to register, please visit: <https://www.nacdnet.org/news-and-events/annual-meeting/>

**2025 Water Quality Symposium:** The New York State Conservation District Employees' Association and Soil and Water Conservation Committee are thrilled to announce the 2025 Water Quality Symposium in Rochester, NY. **March 11<sup>th</sup> – 14<sup>th</sup>, 2025**. Please save the dates. Registration information will be available from CDEA shortly.

### **Other Funding**

**Five Star and Urban Waters Restoration Program 2025 Request for Proposals:** The National Fish and Wildlife Foundation and partners are requesting proposals for the 2025. This program seeks to develop community capacity to sustain local natural resources by providing financial assistance to diverse local partnerships focused on improving water quality, watersheds and the species and habitats they support. Full proposals are **due by January 22<sup>nd</sup>, 2025**. To learn more about the grant program and the application guidelines, please go here, <https://www.nfwf.org/programs/five-star-and-urban-waters-restoration-grant-program/five-star-and-urban-waters>.

**DEC Announces \$15 Million in New Grant Funding for Community Reforestation:** NYS DEC has made \$15 million available through the new Community Reforestation (CoRe) Grant Program to expand, restore, and create urban forested natural areas. Eligible CoRe projects include planting trees, preparing sites, and removing competing or invasive vegetation interfering with tree seedling growth, and/or protecting new plantings from deer browse. Grant applications will be accepted until **2 p.m. on March 12, 2025**. Applications must be submitted through the SFS Grants Management System (SFS). DEC will host a webinar on **Thursday, January 9<sup>th</sup>, 2025, from 10AM to 12PM**. ## **District Technician Report – Bob Kalbfliesh – March 2025**

### **AEM**

- Ian Kaminski: I have a field visit scheduled for March 25<sup>th</sup>. Ian is looking for seeding recommendations and to lease the no-till drill.
- Alicia McLaughlin: I have started the process to get her beef operation Grown & Certified.

### **Ag Assessments**

- I have completed 160 soil group worksheets and soil maps for ag assessments this year – a very busy year.

### **CWICNY Cover Crop Program**

- I have talked to several farmers about participating in this year's cover crop program.

### **Meetings**

- CaroVail Winter Meeting – Greenwich Elks, 2/7

### **NRCS Cooperation**

- I have taken Phalen on several farm visits to help her familiarize herself with dairy farming and our county.

## Technician's Report-Amber Luke- March 27, 2025

### Ag Non-Point Source-

- Round 28-
  - Kenyon Hill- Talked with Mike Nolan on 3/18/25. He says there has been no progress on the project since the last pour. He says it will probably be another month or so until the project resumes. (Mid-April)
- Round 30-
  - Kings grant application for Round 30 was submitted on time.

### Climate Resilient Farming (CRF)-

- Round 6-
  - Maple Grove Farm- No new updates.
  - Ghost Light Farm- No new updates. The Erosion control system will be installed in the 2025 construction season.
    - Wrote a letter of support for the farm. They received the NYS Environmental Stewardship Award from the National Cattlemen's Foundation and were looking for support as they were being forwarded on for the National Award.
- Round 7-
  - Contracts were received. No new updates.

### CAFO Waste Storage and Transfer System Program-

- Round 3
  - Woody Hill Farm- Construction has resumed. Contractors are working on finishing up concrete work. Curbs on the main ramp were poured on 3/13 and the remaining portion of the floor and push off ramp was poured on 3/22/25. The liner company was out on 3/19/25 to fix the holes that were put in the line due to the heifers getting out and getting in the storage over the winter. They walked the whole thing and made sure it free of any holes. SWPPP inspections continue.

### AEM-

- Tier 4 Cost Share-Contracts end 12/31/25
  - Nate Mattison has been working on his forest stand improvement. I will be making a site visit to get out there this Spring.
  - No new updates on Hick's design.
- I have had a couple of AEM interest requests. I have sent out Tier 1's to those people.
- 2- Tier 2 site visits, one for a chicken farmer looking to get NYS Grown and Certified and very interested in AEM. The summary for this farm has been delivered. One to a sheep farm that is also very interested in the AEM program. I am still working on the Tier 2 summary for the second farm.
- Farmers for Soil Health (FSH)- National Cover Crop program update. The program is on hold as the federal government has frozen funding for the grant held by the National Fish and Wildlife Foundation. This includes pausing on all program activity and payments until further notice. Washington County did have two farms sign up for the program.
- AEM 5 Year Strategic plan-we are all working on updating the strategic plan.
- Working on pulling information for the AEM Leopold Award nomination for Washington County.
- Ongoing: working on a variety of 3A and 3B plans for landowners that are interested in going further with the AEM process.

### **Landowner Assistance Program (LAP)-**

- Received a couple of LAP calls regarding soils inquiries and pond questions.

### **Upper Hudson River Watershed Coalition (UHRWC):**

- The next scheduled meeting temporarily scheduled April 7, 2025 at Warren County SWCD office.
- Current grant- Website funding through the Alfred Z. Solomon Trust. We received a grant through the Alfred Z. Solomon Trust to create a website for the Upper Hudson. The website is nearly complete. We are working on gathering photos and materials to place on the website. It will house our meeting minutes, agendas, watershed plan, and projects.
- Discussion for a potential fall legislative tour are in the works.

### **Tree and Shrub Sale**

- Taking Tree and Shrub Sale orders and fielding phone calls for tree and shrub sale.
- I have been creating Facebook posts spotlighting the benefits of some of the less popular species we have.

### **Trainings/Meetings Attending or Attended-**

- CaroVail winter meeting attended- 2/7/25

## **Technician's Report – Ashley Leemans – March 27, 2025**

### **Trainings/Meetings Attending or Attended**

- Completed class portion of rain garden training course and now just need to build a rain garden for certification.
- Have been attending weekly trainings for Pollinator Steward Certification through the Pollinator Partnership. Will need to complete a habitat project for certification.
- Attended first Water Quality Symposium March 10-14.
- Attended a Greenwich DWSP2 meeting with stakeholders and consultants. Have read and commented on the draft plan so far.
- Attended Feb and March CWICNY meetings.
- I have joined the Stormwater Tradeshow Committee for CWICNY and attended two most recent meetings.
  - I will be sending out save the dates and procuring a speaker.
- I have been continuing to attend Unifying Stormwater meetings with the LCBP and other organizations. They hope to have funding application ready for 2026 for the Champlain Watershed.
- March 26<sup>th</sup> attended the LG Watershed HWA Initiative meeting. We are reprioritizing goals for 2025 and reassessing the high priority hemlock areas in the LG watershed.

### **Tree and Shrub Sale**

- Tree and shrub orders are coming in.

### **Water Quality Coordinating Committee (WQCC)**

- Feb 12<sup>th</sup> meeting went well. Region 5 DEC came and talked about their work with the round goby in the canal system. Next meeting will be May 14<sup>th</sup>.

### **Landowner Assistance**

- January Public meetings went well. We made a few new connections.
- The Greenwich Garden Club has expressed interest in working with the District and Corrina and I met with EJay Murphy.
- I held my HABS presentation for Mud U. We had two participants.
- Site visits for residential stormwater evaluations have already been scheduled for May.

### **AEM**

- Working on Tier 3 for Scotch Hill Farm.
- Working on a Tier 2 for Greg LaPan.
- Attended a Tier 2 with Amber at Hepatica Farms.

### **Part B**

- Have received temporary permit to plant a tree at the South Lake State Boat Launch in Whitehall for Arbor Day. We will be planting a pin oak.
- The tree planting location at The Georgi has been selected.
- Pollinator Pledge has been advertised on Facebook, at public meetings, and I have sent emails to BOS. Municipalities can take part, so supervisors please forward to any departments that may be interested.
- I have also hung flyers with QR codes to sign up.

### **People's Garden**

- I have applied to the Charles R. Wood Foundation for a small grant to buy supplies for the garden.

- I have also contacted Amy Maxwell at Salem HS to get involved with the Salem Service Days again.

**Misc.**

- I am working on article on AIS for CWICNY annual report.
- Pamela Landi at the County planning Department has asked us to put on a training for Planning Board members on green stormwater infrastructure. This will be in September.

## **District Technician Report – Bob Kalbfliesh – April 2025**

### **AEM**

- Ian Kaminski: I have given Ian seeding and fertilizer recommendations for no-till seedings this spring.
- Alicia McLaughlin, Kilcoyne Farm: Completed a Tier I. I have a farm visit scheduled for April 18<sup>th</sup>. I am also working with her to get her farm Grown & Certified.
- Matt Marchaland, Marchaland Farms: I am working with Matt to complete Tier I and Tier II.

### **Ag Assessments**

- I have completed 170 soil group worksheets and soil maps this year. All assessor deadlines have passed, and I have only one that did not pick-up up their worksheet.

### **No-till Drill**

- The drill will be coming out of storage this week and we already have two requests to lease it.

### **Tree & Shrub Sale**

- I will be helping pack trees this week.

## Technician's Report-Amber Luke- April 21, 2025

### Ag Non-Point Source-

- Round 28-
  - Kenyon Hill- Had a meeting with the farm to go over the budget for the grant. We went over invoices and items paid to date. The farm would like to include waste transfer. The planned new barn which is set to begin construction May 1<sup>st</sup>. I checked in with Ryan on whether this would be ok, and he said yes if it is supporting the original planned system and is not a new system. Mike said he would let me know when construction resumes on the waste transfer.
- Round 30-
  - Kings grant application for Round 30 was submitted on time.

### Climate Resilient Farming (CRF)-

- Round 6-
  - Maple Grove Farm- Talked with the engineer on 4/2/25. He had a couple of questions of year of storm requirements for the pond and road. The engineer told me he is about 75% of the way done with the design and that he would get it to us as soon as possible.
  - Ghost Light Farm- Meeting with the farm 4/25/25 to check and see how the water system is working and to go over the closeout paperwork needed. The erosion control system will be installed in the 2025 construction season.
- Round 7-
  - Contracts were received. No new updates.

### CAFO Waste Storage and Transfer System Program-

- Round 3
  - Woody Hill Farm- Nearing the end of construction. They poured the curb around the floor on 4/8/25. The manure storage itself has been completed, and the engineer has given the farm the ok to begin using the storage. A couple of things still need to be finished including aprons for pumping ramps, push off bollards, safety signs and mulching and seeding. The contractor and farm are fully aware and know that this needs to be done. SWPPP inspections will continue until disturbed areas are seeded and mulched.

### AEM-

- Tier 4 Cost Share-Contracts end 12/31/25
  - Nate Mattison has been working on his forest stand improvement. I will be making a site visit to get out there this Spring.
  - No new updates on Hick's design. Reached out to Jeff via email. Have not heard back.

- AEM site visits
  - Greg Lapan- Maple syrup operation. We walked the current access road (erosion), took photos and discussed the timeline of AEM funding.
  - Olivia Fuller- Grazing Plan. She is currently working with NRCS to apply for a grazing plan through EQIP. Toni invited me out on a site visit to help explain our AEM funding and timeline.
- AEM Tier 3 Planning:
  - Hepatica Farm- Chicken Grazing operation. Tier 2 resource concerns identified include access road erosion, stream crossing erosion, water system in grazing system.
  - Du Trieux Farm- Sheep operation. Tier 2 resource concerns identified include, over grazing, water system, stream access, stream bank erosion. These will all be addressed in the grazing plan.
- AEM Round 19 application for Tier 4 funding is being reviewed and updated where necessary. We have had a handful of farmers show interest in this funding and would like to keep it as fair as possible across the board as funding increases.
- AEM 5 Year Strategic plan-we are all working on updating the strategic plan.
- Quarterly reminders have been sent out to make sure staff remember keep their time logs up to date. As we cannot get paid for the time spent reporting after the end of the contract.
- Working on pulling information for the AEM Leopold Award nomination for Washington County.

#### **Landowner Assistance Program (LAP)-**

- Richard Beck- Site visit to look at a wetland and discuss placement of a pond and drainage. We also talked about restrictions in and around wetlands and good riparian species that were present.

#### **Upper Hudson River Watershed Coalition (UHRWC):**

- Working on coordinating the next scheduled meeting. Date and location are to be determined but will be held in May in Saratoga County.
- Current grant- Website funding through the Alfred Z. Solomon Trust.
- Discussion regarding applying for funding for a Nine element plan for the UHRWC. This would help greatly with identifying water quality resource concerns to help justify applying in areas that do not usually get funded. This would be something we could use as supporting documentation for all grants.

#### **Tree and Shrub Sale**

- Tree and Shrub sale prep. Ashley and I went and picked up the Berries on 4/14/25 and we got all the trees over to the fairgrounds on 4/15/25.
- Square site and card reader have been prepped so that we can accept day of sales via, cash, check or credit card.

**Trainings/Meetings Attending or Attended-**

- State Programs Advisory Committee (SPAC) meeting attended virtually on 4/10/25
- North Atlantic Aquatic Connectivity Collaboration Training was attended virtually on 4/3/25. This training was required for all NAACC Certified staff as a new Culvert Condition Assessment tool has been launched.
- Forest Ed. Migrating to ArcGIS PRO- This is an ongoing self-paced training was completed.
- OUTREACH- Granville FFA Ag Day was a great success. We spoke with over 700 students of all ages. We discussed a little bit about what we do with students and teachers as well as helping to educate on the importance of clean water. The kids loved the EnviroScape model, and it was a simple hands-on tool that really got kids involved.
- Wrote a CDEA newsletter article on the Granville FFA Ag Day Event.

**Miscellaneous:**

- Bank reconciliations completed

## **Technician's Report – Ashley Leemans – April 21, 2025**

### **Trainings/Meetings Attending or Attended**

- Attended ReLeaf tree planting workshop on April 11<sup>th</sup>. This was an all-day workshop about best practices for tree planting and using trees as stormwater infrastructure in urban settings.
- Attended the Greenwich Garden Club's volunteer meeting on April 10<sup>th</sup> to introduce myself to the volunteers and make them aware of the district as a resource.
- Attended Environmental Education Foundation (EEF) meeting on April 1<sup>st</sup>. Not much movement on procuring funding.
- Attended virtual NAACC culvert condition assessment training on April 3<sup>rd</sup>.

### **Tree and Shrub Sale**

- Tree and shrub sale complete.
- Handed out tree tracker tags as a part of the 25 million trees initiative.

### **Landowner Assistance**

- I am planning a water chestnut pull at the South Bay State Boat Launch in partnership with the Lake Champlain Committee.
  - Tom Bromley of BOCES has agreed to bring up one of his classes to assist in the pull. The kids will receive background information on water chestnut, a lesson on how to harvest with AIS rakes, and will pull water chestnut from the shoreline.
  - I have applied for a TRP from DEC to do the work.
- Amber and I attended Granville FFA Career Day on April 4<sup>th</sup>. We used the Enviroscope watershed model and Amber dressed as Ronny Raindrop. Both were a big hit with the kids, and we plan to attend again next year.
- I assisted Amy McKenzie from ReLeaf at the Skidmore Sustainability Fair and talked to people about district work in green infrastructure and stormwater management.
  - I was able to speak with a few people about coming to the tree and shrub sale to purchase leftover stock.

### **AEM**

- Went back to Greg LaPan's with Amber and Phelan for them to see the road and get started on next steps with planning for AEM Round 19.
  - We sent Greg the NY Forester list and the NY Engineers list. He will also be working on getting a forest plan completed by January.

### **Part B**

- We have the "all clear" from UDigNY to plant the tree at the South Bay State Boat Launch on April 25<sup>th</sup>.
- I have still been promoting the Pollinator Pledge. I will hand out QR codes to sign up at the tree sale.

### **CWICNY**

- I have been attending meetings as per usual.
- I am working on sending out save the dates for the Stormwater Tradeshow.
- I have been speaking with my grad school professor about being a speaker at the Tradeshow.

### **LG Watershed HWA Coalition**

- I have been keeping up with meetings with the HWA Coalition.
  - I have joined a sub-committee to create an easy and accessible campaign for the public to easily identify and report HWA. (Think like “Burn it where you buy it” and “See it. Stomp it.”)

**Advanced Clean Trucks (ACT) One-Time Fleet Reporting Requirement:** NYS Department of Environmental Conservation will be reaching out to SWCDs regarding the Advanced Clean Trucks (ACT) One-Time Fleet Reporting Requirement. The ACT regulation is a one-time reporting requirement for all public entities and large private entities that operate or dispatch on-road vehicles with a manufacturer's gross vehicle weight rating (GVWR) greater than 8,500 pounds in New York State. More information on

the Advanced Clean Trucks (ACT) One-Time Fleet Reporting Requirements can be found on DEC's website at <https://dec.ny.gov/environmental-protection/air-quality/controlling-motor-vehicle-pollution/heavy-duty-vehicles#fleet>. Please reach out to your Regional AEA for additional information provided previously via email. If you are concerned about complying with this reporting requirement, please reach out to your county attorney for more assistance.

**NYS DEC Tree Tracker Information:** In response to Governor Hochul's 25 million Trees by 2033 initiative, the NYS Department of Environmental Conservation has developed an online Tree Tracker to encourage all New Yorkers to record trees they planted from January 1, 2024, onward. With SWCD Annual Tree and Shrub sales coming up, now is the perfect time to encourage anyone who purchased trees to report that they were planted. If you are interested in distributing "Tree Tracker Tags" to your customers along with their orders, please fill out an online request form:

<https://forms.office.com/Pages/ResponsePage.aspx?id=6rhs9AB5EE2M64Dowcge52IW3L5JJUhFpO-zFcJoUIdUOEpST0hVVVRUQ1UyTzZZSkhMQ0MwREhPMi4u> or reach out to Annabel Gregg ([Annabel.gregg@dec.ny.gov](mailto:Annabel.gregg@dec.ny.gov)).

**Informal NYS SWCC Program Reviews:** NYS SWCC staff are available, upon request, to review your District's processes/procedures for grant administration. This is an excellent opportunity to work one on one with your Regional AEA to take stock of your current grant administration processes, identify high risk areas and discuss possible internal controls to manage the risks. These reviews are meant to be informal and educational. If you are interested in scheduling a review, please reach out to your Regional AEA.
